Details:

This exceptional and unique detached house has an area of 300 sqm and stands on a large plot of 2,400 sqm in the quiet area of Tejina de Isora in the south-west of Tenerife, only 10 min from Adeje and 25 min from the South Airport.

The property is characterised by its fantastic external area, which includes a garden with diverse relaxation areas, an outdoor kitchen, and a heated pool, all providing the opportunity to enjoy the wonderful island climate throughout the year. Lovely views of the sea, the mountains and the breathtaking sunsets add a further magical touch. In addition there are 3 orchards on the plot offering great potential for cultivation.

The living space is distributed over 2 levels and includes 5 spacious bedrooms, 3 complete bathrooms, 2 WC's, and a light-flooded living/dining area with fully-equipped kitchen. Underfloor heating and an open fireplace ensure a warm and cosy atmosphere during the cooler times of the year.

There is also a cellar area designed as a multifunctional space with a games room and a bar, ideal to enjoy convivial times with family and friends, and a garage with space for 2 cars.

Located in a tranquil, non-touristic area between Adeje and Los Gigantes, the villa is offered for sale fully furnished and for immediate occupation, but also providing an excellent investment opportunity as it possesses a valid touristic rental licence which has been generating an excellent income in recent years (information available).

Please do not hesitate to contact us for further information, or to arrange a personal viewing and experience in person all that this splendid property has to offer.
