Details:

This luxury semi-detached villa, completely renovated with high-end materials, is located in a privileged location in La Caleta, a few meters from the sea and the charming promenade.

The house stands out for its diaphanous design and its spacious and bright spaces, which create a warm and welcoming atmosphere from the first moment. It offers absolute privacy both inside and in its generous outdoor terraces overlooking the sea.

From the private garage you can comfortably access the house through an interior staircase. On the first floor there is an entrance hall, a bedroom, a bathroom and a spacious living room with fully equipped open kitchen. The modern open bar allows you to enjoy the sea views even from the inside. The living room connects to the main terrace, distributed in 2 levels: the upper one, ideal for relaxing while contemplating the ocean; and the lower one, with direct access to a quiet dead-end street that leads directly to the beach and the promenade.

Upstairs there are 2 double bedrooms with en-suite bathrooms. Both have access to another sunny terrace with splendid sea views.

The property is part of one of the most exclusive residential areas of Costa Adeje, which offers landscaped gardens, a children's playground and three swimming pools, one of them heated.

An exceptional opportunity to enjoy the most desirable lifestyle in the south of Tenerife, in a villa ready to move in.
