Details:

We present this attractive and tastefully renovated townhouse, located in Playa Paraiso, one of the most sought after areas in the south of Tenerife.

The property is distributed over 3 floors and has 2 accesses: one from the main floor and another through the private garage of 34 sqm, spacious and functional, ideal both for convenient parking and to have a practical additional storage area.

On the main floor there is an independent kitchen, fully equipped, and a spacious living-dining room very bright, with direct access to a nice private terrace with unobstructed views of the sea.

On the upper floor you will discover the 2 large bedrooms of generous dimensions. The master bedroom has a private terrace overlooking the ocean, while the second bedroom also enjoys a nice view. On this same floor is the modern bathroom with a large walk-in shower and exterior window, which provides both plenty of natural light and good ventilation.

The property has been completely renovated with quality materials and is ready to move in.

The residential complex offers communal pool, poolside bar and parking areas for residents.

Thanks to its excellent location, within walking distance to the Rosa Center shopping center, the beach, stores and restaurants, this house is an ideal option both as a permanent residence and for those looking for a profitable investment in holiday or long term rental.
