Details:

This modern villa has a living space of 358 m² and a plot area of 740 m² and will be finalized according to the wishes of the customer. Tiles and decoration can be selected beforehand.

The design of the facade is unique, with a combination of straight lines, flat roofs with overhanging sections forming protected areas, large windows and white stone walls. Almost all rooms offer a fantastic panoramic view of the sea. The master bedroom has a bathroom en suite.

In addition to the fully and functionally equipped kitchen there is a separate storage room, which offers plenty of storage space.

The basement (80.85 m²) offers enough space for an additional bedroom or a gym. The villa is oriented to the southeast. A large terrace surrounds the infinity pool, from which one has a wonderful panoramic view of the sea and the coastal landscape.

The covered parking has its own motorized access gate.

Location & surrounding area:

This villa is located in a popular residential area of Cumbre del Sol in the seaside town of Benitatxel just a few kilometers from Javea and Moraira. An ideal location for a year-round living with sunny and mild winters.

The beach as well as the nearest town are only 3 km away and the airport of Alicante can be reached in about 50 min.
