Details:

These beautiful new 2 storey villas are currently under construction, all located on a sloping hillside with stunning views over the countryside, various villages, mountains and with views to the turquoise coloured Mediterranean Sea.

The villas dispose of a large living room with a glass facade and direct access to the terrace and the pool, an open kitchen, 1 bedroom with a bathroom en suite as well as a guest bathroom.

A staircase leads up to the 1st floor where 2 bedrooms and 1 bathroom are located. There are 2 large terraces on both sides of the villas.

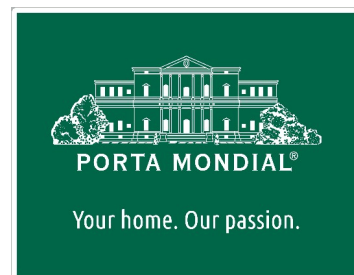

Further characteristics of the villa are:

- a/c
- garden
- car port
- pool

The furniture is not included.
