Location & surrounding area:

The villa offers easy access to "Font Salada", the natural reserve of Marjal and the beautiful sandy beaches of the "Oliva Nova Golf Resort".

Oliva is approx. 20 km from the nearest major city, which bears the name Denia and approx. 3 km from the nearest smaller town.

Dénia, a city located between Alicante and Valencia in the north of the Costa Blanca and on the east coast of Spain, is a very popular holiday destination and is characterized by a good infrastructure.

The about 20 km long sandy beach, which merges into the rocky coast at the height of the district Las Rotas as well as the nature reserve Montgó, which is suitable for hikers, are landmarks of the city.

The worth seeing neighboring town of Javea, which offers a view of Ibiza in clear weather conditions, is another highlight of Denia.
