The plots already have water and electricity connections, thereby greatly simplifying the construction process.

Currently all plots are used for agricultural purposes with the produce offered for sale locally. Each plot of land offers breathtaking panoramic views of the Tramuntana mountains, creating particularly charming panoramic views.

The location of the plots and the excellent infrastructure allows convenient access to the nearest villages, including Buguer and Sa Pobla.

Location & surrounding area:

The North of Mallorca also offers a wide selection of charming areas, particularly inland. It has many pretty, yet typical small Mallorcan villages such as Campanet, Bugar, Muro or Santa Margarita, which each offer a first hand experience of authentic island life and a taste of the original culture of this enchanting Mediterranean island as well as boasting their own unique characters. There are several alternatives to Pollensa or Alcudia if you want to look for a romantic town house or a secluded country house that's close to the beach. Especially Campanet and Bugar each with immediate access to the 2006 created motorway between Palma-Alcudia, provide a further advantage in that it only takes 25 minutes to reach Palma by car.
