Location & surrounding area:

Es Cubells is a small village, which stands on the edge of a cliff.

Its a good starting point to wander from here to the famous nature park of Cala d'Hort. From Es Cubells there are fantastic views to the sea and close by there are the famous small fishing bays as Porroig, Es Torrent, Cala Llentrisca and Ses Boques.

In the village is one of the most famous churches in Ibiza, which was inaugurated by the Carmelite monk Francesc Palau 1864. This monk lived quite retired, many years alone, with a few goats on the island of Es Vedra.

In the centre of Es Cubells, there are 2 bars to enjoy a nice glass of red wine in a relaxed atmosphere of this exceptional place to be.
