Location & surrounding area:

Tacoronte is located in the north of Tenerife. On the northern highway it is well connected to Santa Cruz de Tenerife, La Laguna and the north airport, but also to the region around Puerto de la Cruz. The place is traditionally known for its fine wines, which grow well on the hills of the sunny village. Every Saturday and Sunday farmers' market takes place and shows the wide selection of fruits, vegetables and other products of this still predominantly agricultural community, whose vibrant city is arranged around a beautiful center at Plaza del Cristo.

Tacoronte has also - due to these advantages, further a stunning coastline with 300 m high cliffs and in many places a clear view to the Teide - sought-after locations of villas, chalets and apartments, for example, in the urbanization Jardín del Sol, or surrounding Mesa del Mar. Here, as in El Camello and El Pris, and there are beaches, and for friends of golf there is the traditional Real Club de Golf de Tenerife available, already established in 1932.

In the upper layers to Agua García, there are beautiful hiking trails in the mountains of Tenerife. A special feature is a significant stock of laurel forest.
